

Annual Review

1 APRIL 2019 – 31 MARCH 2020

A message from our Chair of Trustees

“ My sincere thanks to everyone who has supported Friends of the Family this year, enabling our valuable work to continue. This review details a huge amount of work which I am immensely proud of. Our achievements are thanks to the dedication of our hard-working staff, our selfless volunteers and our committed trustees. I am also extremely grateful to our many generous donors. Your support has made a positive difference to the lives of many children and families across the Winchester district.

The end of our year saw the country enter the national lockdown due to Covid-19. However, our staff and volunteers have worked hard to maintain our services during these difficult times, supporting families and children who now, more than ever, need the reliable and consistent contact we provide.”

Karen Hazlitt

Chair of Trustees

Introduction

Since 1993, Friends of the Family has been providing support and friendship to children and families in Winchester and its surrounding villages.

Our aim is to improve the life chances of local children and families who are overwhelmed by family life.

Through our unique services, we offer friendly support and guidance to help them overcome the challenges they face and focus on building a healthy family life for the future.

None of this would be possible without our dedicated team of volunteers, trustees and staff.

“Friends of the Family does fantastic work which is so worthwhile. Thank you from myself on behalf of the City of Winchester and the district.”

Cllr Eleanor Bell, former Mayor of Winchester
