## Festive Family Quiz 2023

Following the success of our Christmas Quiz last year, we are delighted to share with you our 2023 Festive Family Quiz! Can you solve this year's riddles with your family and friends?

If you enjoy the quiz, please consider sending your answers back to us with a donation which will help us to continue to make a difference in our local community. As a thank you, you'll be in with a chance of winning a prize!

## The difference that Friends of the Family makes

This year marked the 30th birthday of Friends of the Family. 30 years after we were founded to provide early intervention for families facing adversity, we are extremely proud to still be here – guiding and walking alongside the families in our community, fostering better outcomes for them and their children. Here are just a few of their stories:

**Nicky** escaped domestic violence and has recently been rehoused to Winchester. Our befriender is helping support her 6-year-old son through the transition. Simple outings for a hot chocolate and a board game, or a play in the park have helped build his self-esteem and settle into his new community.

**Mick** turned to crime in a moment of frustration after a series of incidents including PTSD, the sudden death of his wife and abuse of his stepdaughter by her father left him feeling desperate. Our counsellor supported Mick with his transition from prison back into the community, where he is now re-established and rebuilding his life with full custody of his son.

**Karla** has been supported by our Mums and Young Children's project and says "The Mums' and Young Children's Group literally saved my life. It's time for me. I can try and get me back. My counsellor doesn't judge and has given me the oomph to keep going. The support between the group is also important. I've grown as a person."

This year we have set ourselves the challenge to raise £30K in this our 30th birthday year.

We are pleased to have secured match-funding for half that goal. That means that for every pound raised up to 15K, another pound will go to help local parents and children facing adversity in their daily lives. If you enjoy our Festive Quiz, please consider sending it back with a donation towards our target so that we can continue to help families like Nicky, Mick and Karla's. You can change lives this Christmas.

## Back by popular demand

Anyone sending their quiz answers back to us will be entered into a free prize draw to win one of three prizes kindly donated by Estée Lauder containing some of their top brands including Jo Malone, Creme de la Mer, Clinique and more! There is also a prize for the most correct answers.
